**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer in San Francisco who has suffered through many years of inferior, unusable DSL and other internet access.

I now have access to fiber and all my household and work connections function as they should, including critical family communications.

I can't imagine what could possibly drive the FCC to eliminate access to fiber - especially in a growing vibrant, metropolitan city with so much to offer.
